APPLICATION FOR NEW IRRIGATED ACRES

Application period is September 1-20, 2021 only.
 Forms must be postmarked or received in the LLNRD office
 in Ord by 5 pm, September 20, 2021.

Management Area rules and regulations are subject to change. As per the Groundwater Management Area Rules & Regulations, Rule 11, Paragraph (G) - Any new irrigated acres developed after May 9, 2016, may be subject to additional restrictions as the Board of Directors deems reasonable and necessary in light of hydrologic conditions within the District.

If this application is approved and a Natural Resources Conservation Service's Conservation Plan is needed, then this application is approved on the condition that the landowner to whom the acres are being awarded will remain in strict compliance with the NRCS Conservation Plan for these acres. The Plan is on file at the offices of the Lower Loup NRD. Failure to remain in compliance with the Plan will result in the cancellation/revocation of the certified acres.
